

To Our Valued Customer;

We are excited to report that we are now a Green Stamp Accredited Print Firm.

Bunbury Print has been able to achieve a Level 2 Compliance - Beyond Compliance. This compliance level includes all of the below criteria;

- Business holds any relevant permits
- Recycling of Wastes; such as Paper (100% Paper Waste is Recycled) Scrap Metal & Toner & Printer Cartridges
- Uses few Toxic or Harmful Chemicals
- Has Spill Management Procedures and Equipment
- Develops Eco-efficient polices and practices

It has long been a priority for Bunbury Print to leave as little a mark on the planet as possible. The Purchase of the CTP (Computer to Plate) 4 years ago eliminates the use of all processing chemicals.

While Bunbury Print aims to be **Environmentally friendly** we still are able to maintain **competitive pricing** & **efficient** and **friendly** service. All work is printed in-house at our Zaknic Place Factory, keeping your money right here in the South West.

Bunbury Print is a **Locally owned** and operated **Family Business**, run by owners Shane Hastie & Ashley Hastie.

We believe that training young staff for a future in our industry is vital. Bunbury Print has one of just two Printing Machinist apprentices outside of Perth. Branden enjoys the trade and looks forward to serving many more years.

We hope that this has been informative and helpful in your future orders & we look forward to speaking with you in the near future.

Bunbury Print would like to welcome our newest employee and introduce him to you.

Branden has signed on as an apprentice Printing Machinist. We are proud to say that Branden is the only apprentice in this field in Bunbury and 1 of just 2 in regional WA.

Certificate of Environmental Accreditation

This is to certify that:

Bunbury Print

Has achieved the following levels of the Green Stamp Accreditation:

- LEVEL 1:** This business holds all relevant licenses and permits, and has satisfied fundamental infrastructure and legislative compliance requirements.
- LEVEL 2:** This business has achieved all Level 1 requirements and has implemented a minimum number of optional best practice initiatives. These initiatives could include the recycling of particular solid and liquid wastes, the use of more environmentally sensitive inks and chemicals, or the inclusion of more resource efficient systems.
- LEVEL 3:** This is the top level of Accreditation. This business satisfies the Level 2 requirements and has an environmental management plan that will help monitor current practices and set objectives or targets for further improvement.

Department of
Environment

The Green Stamp Program is an environmental initiative of the Printing Industry Association of Australia (PIA) Region and the Department of Environment, with funding assistance from the Western Australian Government's Waste Management and Recycling Fund.

ENVIRONMENTAL POLICY;

Bunbury Print is committed to environmental care, Managing environmental matters is an integral part of our business planning and decisions. Our commitment extends to the manufacturing of our products, the materials used, the purchase of new equipment & the greater environment to which our products extend.

Bunbury Print endeavors to comply with applicable environmental legislation standards & industry codes of practice and procedures. We strive for continuous improvements through the development of specific programs to address the environmental impacts and costs of our activities & the manufacture of our products.

We will Achieve this by;

- All Staff trained to ensure understanding and compliance with our Environmental Policy
- We Commit to prevention of pollution, focusing on minimising release of contaminants into the environment
- Our wastage and shrinkage will be recycled (where possible)
- We will communicate our environmental commitment & our environmental policy to all our Clients, Employee's & Interested Parties.

Management and Staff are responsible for ensuring that this policy is adhered to by all persons on site, and that it is made available to all Employees, Clients and Interested community members.
